

NH NEXT HEALTH

We use the best tools in the healing arts to provide a precision diagnosis, primarily drug-free treatment, and treatment success that far exceeds traditional medicine.

EXECUTIVE PHYSICALS

We create tailor-made treatment and health programs based on a diagnosis that gets to the root of a problem.

HEALTH MEMBERSHIPS

Managed healthcare programs for wellness and prevention. 3 programs available: Ultra Plus, Ultra and Elite.

AESTHETICS

Skin care management products and procedures, including glutathione injections.

HYPERBARIC CHAMBER

State-of-the-art technology that treats and cures various health conditions.

IV VITAMIN INFUSION

Boosts the immune system, provides fast relief from infection, reduces allergies & combats chronic fatigue, among other things.
